Phone: (816) 580-7211
Fax: (816) 580-7212
Emergency Pager: (816) 200-8235
Office Hours: 8:00 a.m.– 5:00 p.m. M-F

Online bill-pay is available at www.clinton4.com

Fees for new meter sets	\$2,500.00 - on-side
	\$2,550.00 - long-side
	\$3,750.00 - long-side highway
Water usage deposit (owner)	\$ 100.00
Water usage deposit (renter)	\$ 200.00

The minimum monthly charge for domestic water service is \$19.15.

The district reads meters on or about the 15th of each month. It is your responsibility to keep the area around your meter well mowed and trimmed, free from wood, brush, weeds, vehicles and any other objects that will impede meter readers. If the meter is not accessible to the maintenance staff, service can be discontinued after written notice. Also, please keep aggressive dogs confined during meter reading time.

Bills will arrive at your address before the 1st of each month. Payment is due in our office no later than the 16th of each month, after which a 5% late penalty will be assessed. Delinquent letters are not sent. **Please remember we cannot be responsible for your payment arriving on time should you decide to mail your payment or should you decide to use on-line bill pay.** A drop box is available at our office for your convenience.

If your payment has not been received before the 1st of the following month, your service will be disconnected. In order to restore service after a disconnection, the customer is required to pay a \$35.00 fee plus the past due portion of the bill. The meter will be unlocked within 48 hours after payment is received. The maintenance technicians cannot accept payments on site.

Field Meters

The minimum annual charge for a non-domestic (field meter) water service is \$150.00 (paid in advance). Billing period is from January 1st through December 31st. New users will be prorated at time of sign up for remaining year (paid in advance) and then will be billed the 1st of January for the next year. A charge of \$17.50/1,000 gallons will be charged for any usage over 12,000 gallons. Payment for non-domestic meters is once a year, but follows same terms as domestic meters.

Water Usage

There is a \$19.15 minimum usage (up to 1,000 gallons). The following gallons are charged at a rate of \$9.03 per 1,000 gallons, or approximately 90 cents per 100 gallons.
